## SUMMARY:

Motivated and detail-oriented Java Developer with a strong interest in backend development and web technologies. Gained hands-on experience through academic projects using Java, Spring Boot, and RESTful APIs. Focused on writing clean code, solving logical problems, and continuously learning to improve technical skills.

## EDUCATION:

**Rasiklal M. Dhariwal Sinhgad School of Engineering, Warje, Pune.**

B.E. - Computer Engineering | CGPA: 7.99

Pune, Maharashtra | 2020 – 2024

### Additional Training:

Java, Data Structure & Algorithms, Web Development – Apna College

(Pursuing)

## TECHNICAL SKILLS:

**Programming Languages:** Java

**Web Development:** HTML, CSS, JavaScript, Bootstrap

**Backend:** Spring Boot, RESTful APIs

**Databases:** MySQL, H2

**Tools & Frameworks:** Maven, Gradle, Git, Eclipse, VS Code

**Other:** Data Structures and Algorithms, MVC Architecture

## INTERNSHIPS:

**Elite Software,pune**

*Dec 2022 – Feb 2023*

- Learned web development using HTML, CSS, JavaScript.
- Worked with Bootstrap for UI enhancement.

**Acmegrade**

*Jul 2022 – Sep 2023*

- Built and analyzed datasets using Python.
- Created visualizations in Power BI and Tableau.

## PROJECTS:

**Train Ticket Booking System: (Java, JSON, File I/O)**

- Developed a console-based application with user sign-up, login, seat booking, and ticket cancellation features.

**Student Management System: (Spring Boot, REST API, H2, Maven)**

- Built a CRUD RESTful API for managing student data.

**Personal Portfolio Website:(HTML, CSS, JavaScript)**

- Designed and developed a responsive portfolio website with sections like Home, About, Services, Portfolio, and Contact.

## EXTRACURRICULAR ACTIVITIES:

**Deep Learning – NPTEL (Jan-April 2024)**

Score:42%
